3 Bed | 1 Bath | 1 Car | 1200 Sq. ft
Guide Price £495,000

Period home that sets a new standard.

On one of Bishop's Stortford's popular residential roads, this beautifully restored three-bedroom home offers period-inspired detailing and an exceptional level of finish throughout.

Engineered oak floors, refined cornicing and elegant ceiling roses sit alongside high-quality replacement sash windows, while a log burner brings warmth and understated character to the principal living space.

Two reception rooms, a superb kitchen breakfast room, separate utility and ground floor WC create a layout that is both practical and well resolved. Upstairs, three bedrooms are served by a first-floor bathroom.

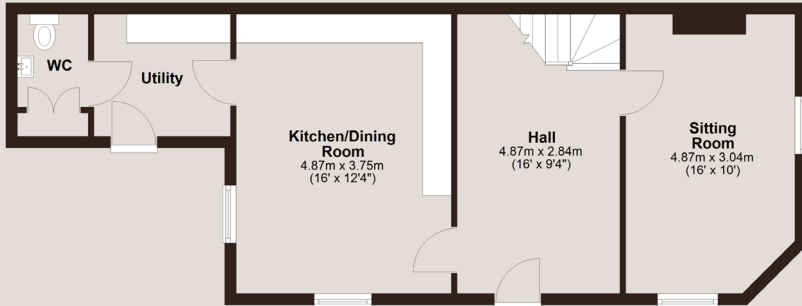

A private walled courtyard, off-street parking for one car and no onward chain complete a home defined by quality, restraint and quiet confidence — moments from the town centre.
